## COMMITMENT TO DIVERSITY

Individuals with different cultures, perspectives, and experiences are at the heart of Crown Point Enterprises' beliefs. We want to recruit, connect, and engage the most talented people, regardless of their background and make best use of their talents.

At Crown Point, we are guided by our values in everything we do and recognize that being a diverse and inclusive partner in the wedding community helps us fulfil our responsibility to make a difference for our industry.

We intend to eliminate discrimination, prejudice, and racism and encourage diversity amongst our workforce. Our aim is that we will participate, support, and commit to being accountable and holding our event industry accountable to ensure each person feels respected and is able to have a seat at the table.
